# ***SCOTLAND WORLD CUP CEILIDH WEEK***

*Celebrating Scottish Culture Dance and Sport*

***#BURNSAWAYTHEBLUES #WORLD CUP CEILIDH***

SATPE considers Scottish Country Dancing, more commonly known in schools as ‘Social Dancing’ to be an important part of PE traditions and Scottish culture. Anyone who went to school in Scotland will fondly recall their experiences of Social Dance at school, especially when called upon at ceilidhs or weddings to get up to dance. We are working alongside the **Royal Scottish Country Dance Society** to help promote the value of Scottish Country Dancing; the rhythm, the timing, the stamina required, the social benefits and the lifelong learning making it a valuable part of what we deliver in PE and school.

This year, in recognition of Scotland’s first football World Cup qualifying football team, we have renamed the dances for Scotland World Cup Ceilidh Week, where we encourage schools up and down the country to participate with an extra skip in their step to celebrate Scottish culture, dance and sport more than ever before, including our specially created World Cup Wheech, designed by SATPE alongside Penpont Primary School in Dumfries & Galloway to pay tribute to the goalscorers who sent Scotland to the World Cup!

We have included QR codes that will take you to the RSCDS pack on the SATPE Website to help you learn the dance steps, links to traditional music and some alternative suggestions by Scottish artists to let you try some other songs to dance along to to keep the party going!

Any school who participates and sends in evidence to [president@satpe.co.uk](mailto:president@satpe.co.uk) or tags us on Social Media: Instagram or X; **@Satpe1** and **@RSCDS** (Using Hashtags **#MaketimeforPE** **#WorldCupCeilidh**) will be issued with a certificate of participation and will be entered into a draw to win a prize for their school!

Scotland World Cup Ceilidh Week will officially take place between 19<sup>th</sup> and 23<sup>rd</sup> January in the lead up to Burns Day, but anyone doing ‘Social Dance’ before then can still participate!

Happy dancing!

# **DANCE: DASHING WEE STEVE CLARKE aka Dashing White Sergeant**

Originated in the 1820s, with lyrics attributed to 18th-century General John Burgoyne and the music composed by English composer Sir Henry Rowley Bishop. The dance, however, has roots in 18th-century English country dances and was later adapted and popularized with Scottish steps. Its origins are linked to a British military march, but it became a well-known Scottish dance tune.

It is considered an "old-time" dance that has become a popular couples' ceilidh dance.

The dance was devised to tell the story of the express train's journey between London and Edinburgh and was later adapted by the Royal Scottish Country Dance Society (RSCDS) for medal tests. The dance celebrates the history of the iconic locomotive and its importance in connecting the two capitals.
